SEPTEMBER 2012 – COMMUNITY EVENTS

1. September 29 – Saturday – Det. Chris Boheim, National Take Back Day

Dear Chief Lewis,

This is to inform you that the department participated in the National Take Back Day on 9/29/2012. This is the fourth time that the department has participated in this event. This year approximately 75 people dropped off old, unused, or unwanted prescription medications for disposal. The feedback from the public was very positive about this service. Many remarked that they write the day down on their calendar and that they save of prescription medications throughout the year.

In total approx. 100 lbs. of medications were collected at our site.

Respectfully,

Det. Christopher M. Boheim

NOVEMBER 2012 – COMMUNITY EVENTS

1. November 14 – Wednesday – Det. Sgt. Ken Lenning - spoke at Northampton Community College's OPEN house to Criminal Justice Students and Criminal Justice Club to educate approximately 80 people about crime scene.
2. November 14 – Wednesday – Det. Sgt. Ken Lenning met with State Representative Mario Scavello in regards to writing and introducing legislature to correct an issue that has led to children being victimized in our jurisdiction. He was accompanied by a mother of a victim child. There are no provisions (laws) governing, directing or mandating private businesses (daycares, karate studios, churches, etc) to conduct background (clearances) on employees, volunteers or other persons interacting with children. The subject is being researched and it is our hope that new legislation will be introduced and passed to correct this oversight.
